Improving WordCamp.org Tools C...

Result Details

How would you rank the following solutions to give organizers more options when customizing their sites?

	Answers	Skips
	55	**1**
	98%	2%

RANK	CHOICE	WEIGHTED RANK	0		3
1	Have access to a new custom theme built by WordCamp organizers to fit the specific needs of a WordCamp. More templates could be added in the future as needed, if they met certain criteria.	1.73			
2	Have access to about 5 extra page templates that are shared by all camps, and the ability to submit a new template for review. If the template met certain criteria, it could be added for all camps to use.	1.84			
3	Have 5 more themes to choose from, beyond the default Twenty* themes. They would be popular themes from the WordPress.org repository.	2.44			

Note: The weighted rank is calculated as: *(sum of (position * count) for each choice / total responses) + 1*
