

Get Involved with WordPress! <https://make.wordpress.org/>

SUPPORT

Answer questions to help other WordPress users in the support forums and IRC.

COMMUNITY

Bring people together with events like meetups and WordCamps and work on outreach initiatives for diversity and new contributors.

THEMES

Review incoming theme code to help keep our directory in shape.

CORE

Contribute to the software that powers a bunch of the web.

DESIGN

Help design and develop the user interface for WordPress; a home for designers and UXers alike.

CLI

Contribute to the official command line tool for managing your WP site.

DOCUMENTATION

Responsible for all docs including the Codex, handbooks, Helphub, developer.wordpress.org, admin help, inline code, & more across the project.

SPEAK & SHARE

Share what you've learned with others: speak at events and teach at workshops.

PLUGINS

Keep the plugin directory safe by reviewing code & ensuring standards.

ACCESSIBILITY

Make WordPress core and bundled themes accessible & usable for all.

MOBILE

Help build the iOS and Android apps for WordPress.

TEST

Help patrol, test, and curate the WordPress experience via QA, testing, and user research.

TRAINING

Create lesson plans and materials for free in person WordPress workshops.

TV

Help with moderating incoming video content, post-processing, and transcribing / subtitling videos.

META

Develops official websites like WordPress.org and WordCamp.org.

POLYGLOTS

Translate WordPress core, plugins, themes, and apps.

MARKETING

Help us develop the materials & resources to market the WordPress software and community.

HOSTING

We work together on hosting best practices & tools for the community.
